MESSAGE

I am pleased to know that Central Vigilance Commission is observing Vigilance Awareness Week, 2018 from 29th October to 3rd November, 2018.

It is a commendable initiative taken by the Central Vigilance Commission to organize and observe Vigilance Awareness Week every year as it provides all government organizations and individuals an appropriate platform to recall and reaffirm their solemn duty to create a corruption free environment for the welfare of our society.

I express my gratitude and compliment to the Central Vigilance Commission for choosing "Eradicate Corruption- Build a New India" as theme of Vigilance Awareness Week, 2018. The outreach activities proposed by the Central Vigilance Commission and Ministry of Human Resource Development, including formation of Integrity Clubs in Schools and Colleges, will help to combat corruption at all levels and also build ethical values in the minds of the citizens of the country in general and impressionable minds of the young students in particular.

I extend my best wishes for the grand success of this Year's Vigilance Awareness Week.
