MESSAGE

I am happy to note that Central Vigilance Commission is organizing Vigilance Awareness Week from 29th October to 3rd November, 2018 to promote integrity, transparency and accountability in public life and has chosen "Eradicate Corruption – Build a New India" as the main theme for the current year.

It is also heartening to note that Central Vigilance Commission has adopted a multi pronged approach for combating corruption and one of the strategies is to encourage all stakeholders to collectively participate in prevention of corruption. The CVC is doing yeomen service by spreading public awareness through numerous outreach activities like seminars, lectures, plays, skits, poster and drawing competitions in schools, colleges, trade associations, Chambers of Commerce etc.

I take this opportunity to extend my best wishes to Central Vigilance Commission for the success of the event.
